Entertain the Governor.

Governor Morehead and about fifty members of the Omaha commercial club were entertained by members of the Chamber of Commerce Saturday evening from 10:45 until midnight. The party had been in Cheyenne attending the Frontier Days celebration, and from there went to Gering, thence down the North River branch. The party was met at the depot by a big delegation of citizens and escorted to the Lloyd opera house where a Dutch lunch was served. Mayor Evans then welcomed the party and introduced Governor Morehead, who delivered a short address. Short talks were also made by members of the Omaha Commercial club. A five piece orchestra rendered music.

The party was traveling in three special cars, and were attached to No. 4 when that train—two hours late—reached this terminal.

Throw Away the Hammer, Buy a Horn

Just now is a good time to follow the advice given in Frank Hatch's recent cartoon—"Throw Away Your Hammer and Buy a Horn," and constantly toot the horn for municipal improvements. Let's make North Platte a modern town, instead of allowing it to remain antediluvian. Other Nebraska towns vote bonds for public improvements because it is the only way public improvements can be obtained; why not be modern like other towns and have privileges which we can enjoy and of which we can feel proud.

Paved streets and a public park are not luxuries, they are necessities, and we believe a big majority of the people of North Platte no regard them, and that both propositions will receive their support at the election to be held August 31st.

Celebrate "Guest Day."

The P. E. O's celebrated "Guest Day" Friday afternoon at the beautiful home of Mrs. C. F. Iddings, each member bringing a guest, and the entertainment being of the order of a musicale, interspersed with readings. Those taking part were P. E. O. daughters, the Misses Iddings, Wilcox, Jeter, Beeler and Hinman. Miss Esther Antonides gave two beautiful vocal numbers and Mrs. Adams also sang several, delighting her hearers with her wonderful voice. Pleading selections on the victrola were played while the forty ladies were served at small tables to a dainty two course lunch. The rooms were beautifully decorated with garden flowers of all varieties and the remarks of the guests on leaving fully assured Mrs. Iddings and the committee that the afternoon had been thoroughly enjoyed.

Death of Martin McLane

Word was received here Saturday of the sudden death of Martin McLane of Cozad, at Cozad, Neb. For a number of years Mr. McLane was a resident of this city and while here was employed in the Union Pacific baggage room. A couple of years ago he returned to his former home in Cozad, and recently left for Holcus with a party of men to work on a new electric light building. Death was caused by coming in contact with a live wire. He leaves a wife who was formerly Miss Lela Holliday, of Lexington, his parents who reside in Cozad, and a brother, C. E. McLane, of this city. At the time of his death he was thirty-one years of age.

Poultry Parasites

You keep the poultry house clean to keep the parasites off the chickens. You spray to kill germs—but what do you do to get the germs and parasites inside the chickens? Hens especially show it at moulting time and during the winter. How can you expect them to lay? Free them of all internal parasites by feeding B. A. Thomas Poultry Powder occasionally. If it doesn't make your hens happy, we will return your money. Sold by A. F. Fink.

New Highway Consul.

T. C. Patterson, who has been county consul for the Lincoln Highway since the association was formed, has resigned and A. B. Hoagland has been recommended to succeed him. Mr. Patterson has done much good work in pushing the betterment of the highway in Lincoln county, and the appointment of Mr. Hoagland means that the work will continue to be in the hands of a live wire.

The highway between North Platte and Gothenburg has been in good shape since the rains ceased, and between here and the Keith county line the roadway is gradually getting in much better condition.

Kearney Easy for Boosters

The Boosters defeated the Kearney Independent ball team on the local grounds Sunday afternoon by a score of eight to one. The visitors made their only score in the first inning, while the Boosters scored one in the first, twice in the third, sixth and seventh, and one in the eighth. Kearney took four hits off Artley and the Boosters seven off of Westier, the Kearney pitcher. The visitors made five errors, some of which were costly, while North Platte played an errorless game. The Kearneyites were outclassed at all points, and did not put up the game that was expected.

Examinations Given Thursday and Friday Instead of Friday and Saturday

An Appalling Disaster.

An appalling disaster occurred at Chicago Saturday when a steel steamer, loaded with 2,500 excursionists capsized at its dock in the Chicago river, and about 1,000 persons drowned. The excursionists were employees of the Western Electrical Co., and their families, and just as the boat was about to leave the dock, there was a sudden rush of persons on deck to the port side of the vessel to see a speeding launch, and this is said to have caused the vessel to capsize. Up to yesterday nearly 900 bodies had been recovered. It is believed that a number of bodies have been crushed in the mud beneath the vessel.

Notice is hereby given that on the 21st day of August, 1915, at 10 o'clock A. Sutherland Free Lance Items

Report reached here the last of the week of the drowning of a little son of Mr. and Mrs. Chas. Chessmore of McPherson county. The little fellow had fallen into a water tank and it was several hours before he was found.

Farmers express the opinion that the cornstalks will be shorter than usual this season even though the yield may yet turn out to be of as satisfactory a nature as that of wheat. A record growth is being made in about all the cornfields since the weather conditions have been better.

Munday afternoon the frame barn on the Jim Beveridge farm south of town was destroyed by fire. Mr. and Mrs. Beveridge started a smudge in the barn in an effort to clean out some hens' nests and the fire resulted. About seventy-five bushels of corn, some hay and harness were also consumed. There was no insurance.

William T. Burklund of this place and Miss Dalene Purdy of North Platte were united in marriage at the county hub Friday of last week. The ceremony occurred at noon and Rev. Harman was the officiating clergyman. Mr. and Mrs. Burklund expect to be at home on the ranch southwest of town within a short time.

Hershey Times Items

The Giants have a game of ball scheduled for Sunday at Stapleton. Several fans expect to go along.

Word was received here Sunday evening that a brother of Mrs. A. Moden was killed by lightning that day at Curtis. She left immediately for that place to attend the funeral.

Rauch Bros. sold 125 head of top-py Whiteface heifers to the Pine Ridge agency last week. They were a splendid bunch of cattle raised on Rauch Bros.' extensive ranch south of Hershey.

The twelve-year-old daughter of Mr. and Mrs. Charles Pickens, living north of Hershey, is in a very critical condition, and grave hopes are held out for her recovery. For one so young to have leakage of the heart, rheumatism and dropsy, it would seem that the afflictions would be more than she could bear.

Farm Agent for Every County

Uncle Sam's department of agriculture has recently launched into the very biggest enterprise having for its object aiding the farmer and his family—that he has ever undertaken.

July 1 the newly created states relations service, for the administration of cooperative work, came into being, and for the new fiscal year which began on that date there became available \$980,000 for this work, in addition to \$600,000 more which must be contributed by the several states to obtain the benefits of the act.

Uncle Sam has become tired of writing nice, accurate, high-brow scientific bulletins to send to farmers. The farmers won't spend the time reading them. So now, Uncle Sam is going to take farming right to the farmer; he is going to have his experts go right into Uncle Silas' corn field, and after hearing from Uncle Silas himself just what his experience has been with corn in that particular field, Mr. Expert is going to sit down with Silas and figure out what's the matter, if anything's the matter, and just what Silas ought to do with that particular piece of land, and then Silas is going ahead and try out the suggestions of Uncle Sam's experts.

"The plan means that eventually we are going to have a county expert in every one of the 3,000 counties in the United States," said Bradford Knapp, expert in charge of this farmers' cooperative demonstrations work for the Southern division. "Already we have more than 1,000 agents at work in every part of the country."

Mrs. Harry Parrish and sister Mrs. Tyler have returned from a trip to points in Colorado.

Walter Jones, traffic manager for the Nebraska Telephone Co., spent last week at the local office transacting business.

Miss Frieda Hammer has accepted the position of pianist at the Pat theatre, succeeding Miss Nina Vandorhan, who resigned last week.

A NORTH PLATE MAN GIVES EVIDENCE

His Testimony Will Interest Every North Platte Reader

The value of local evidence is indisputable. It is the kind of evidence we accept as true because we know we can prove it for ourselves. There has been plenty of such evidence in the North Platte papers lately, and this straightforward testimony has established a confidence in the minds of North Platte people that will not be easily shaken.

Charles F. Burroughs, 222 S. Pine St., North Platte, says: "Several years ago I had occasion to use Doan's Kidney Pills, procured from McDonnell & Graves' Drug Store, (now Schiller & Co.'s Drug Store) and found them to be a good kidney remedy. I suffered from burning pains in the small of my back and my kidneys were very weak. Doan's Kidney Pills soon cured me completely. I have not been bothered by kidney trouble since. I take pleasure in endorsing this remedy for the benefit of other kidney sufferers."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burroughs had. Foster-Milburn Co., Props., Buffalo, N. Y.
